

Metropolitan Postcard Club – Member Application or Renewal

The oldest continuously run postcard club in the United States, the Metropolitan Postcard Club of New York City has been holding regular meetings since November 1st, 1946. Starting from just a handful of people interested in exchanging picture post cards, the Club now has hundreds of active members from across the country to around the world.

MEETINGS: Members and guests gather on a regular basis to spend a few pleasant hours in the company of fellow collectors engaging in conversation, exchanging ideas, and buying and trading cards. There is a brief discussion of Club matters with most of the time given over to the sale of postcards. Members are also allowed to sell cards for a small table fee. Meeting dates, usually the second Sunday of the month, are available through our e-mail bulletins and on our website.

PROGRAM & ANNUAL EVENTS: We hold two major International multi-day Postcard Shows each year, usually in April and November to which members receive discounted admission. The Bob Stonehill Postcard Album Competition, held each spring, is also only open to members. Other activities include our annual holiday party (held each December) along with a number of fundraising postcard auctions scheduled throughout the year.

QUARTERLY NEWSLETTER: An illustrated Newsletter, "Metro News," is mailed out to all members. It contains articles and anecdotes of interest to post card collectors, news about Club members and details of upcoming Club events.

DUES: Club dues are \$30.00 per year for both U.S. and Foreign members. **Checks should be made payable to the: Metropolitan Postcard Club.**
